# CHALKTALK

## About District

East Boston High School has a **minority enrollment of 89%** and is the largest high school in the Boston Public School District, the **72nd largest school district in the United States**.

Throughout the years, students who used ChalkTalk saw an average **95-point improvement** on the SAT which is **1.4x greater than the US national average** in only **23% of the time**.

## Impact Study Methodology

Students take an official SAT practice test. Test data is used to auto-generate daily lesson plans for the custom school schedule. Every lesson plan has whole group **instructional materials for the teacher plus student-facing materials (small group activities, personalized practice, and interactive study resources)**. Students end with another official SAT practice test.

This impact study reports on **“growth”** between the official test scores. It also uses reports on **“proficiency”** using the official College-Readiness grade-level test score benchmarks published by CollegeBoard.

## Quotes

I really fell in love with the program. **I liked it so much, that I enrolled my daughter** who attends another school.
