About School

Meridell Achievement Center is a public, charter, alternative school that's part of Inspire Academies in Liberty Hill, TX. **97% of enrolled students are low-income.**

31 Meridell students had significant learning activity on ChalkTalk.

Impact Study Methodology

Students take an official SAT practice test. Test data is used to auto-generate daily lesson plans for the custom school schedule. Every lesson plan has whole group instructional materials for the teacher plus student-facing materials (small group activities, personalized practice, and interactive study resources). Students end with another official SAT practice test.

This impact study reports on “**growth**” between the official test scores. It also uses reports on “**proficiency**” using the official College-Readiness grade-level test score benchmarks published by CollegeBoard.
